Boyer-Tillamook Access Road Improvement Project
Preliminary Environmental Assessment
Public Comment Form

Project webpage: www.bpa.gov/goto/BoyerTillamookAccessRoads

BPA is accepting public comments on the proposed Boyer-Tillamook Access Road Improvement Project preliminary environmental assessment through **October 21, 2013**. Please use this form to submit comments about the project, including those relating to how the Preliminary EA addresses such issues as:

- resources that could be affected (e.g., environmental, cultural, transportation, community resources, etc.)
- how you or others could be affected
- suggestions on how to reduce potential impacts from the project
- other concerns you may have
