If this one Name and one piece of paper represents Two Hours of work, than The Ten names will Take 20 Hrs! How much is your charge per Hour

This one piece of paper also was only for one year times 4 which is 80 hrs! Strange how a secetary could pull all the info in 2 of 05 in 20 minutes? My Congress person might be intrested To find out who is stalling the process. They can run but cant hide

Ten Names
Don Blair
Fred Burgess
Brad Colter
Ro Golder
Scott Kelley
Steve Lawrance
Bobby Molt
Mike Smart
Larry Trump
Frank Workman
