RE: BPA-2010-01020-F

Dear Mr. Smith:

Thank you for your request for information that you made to the Bonneville Power Administration (BPA) under the Freedom of Information Act (FOIA), 5 U.S.C. 552. Your letter was received in this office on Monday, March 8, 2010, and has been assigned a control number, BPA-2010-01020-F. Please use this number in any correspondence with the Agency about your request.

After our phone conversation on Monday, March 8, 2010, you have narrowed the scope of your request to the names and addresses of engineering firm(s) that have been employed by BPA for work on the I-5 Corridor Enhancement Project from January 2008 to date. You have also agreed to pay $10 in fees.

We have reviewed your letter and have determined that it addresses all the criteria of a proper request under the FOIA and the DOE regulation that implements the FOIA at Title 10, Code of Federal Regulations, Part 1004.

Mr. Chris Nielsen, Contract Office, has been assigned as the Authorizing Official for your request. Mr. Nielsen has twenty (20) days to respond to your request. The due date for a response to you is Monday, April 5, 2010. If you need to contact Mr. Nielsen, he may be reached by calling (503) 230-3612.

I appreciate the opportunity to assist you. Please contact Laura M. Atterbury, FOIA/Privacy Act Specialist at (503) 230-7305 with any questions about this letter.

Sincerely,

/s/ Christina J. Brannon
