"Freedom of Information Act"

I understand that [Ex 6] an "Electrician" and an Employee that I work with at the Bundy Center of Bonneville Power Administration has had disciplinary action brought against him while working for BPA at the Bundy office.

Do to the fact that I work with this Employee I deserve to know all of the Disciplinary Action that has been brought upon him since his Employment with Bonneville Power Administration.

For my own safety & well being as a BPA employee who has to work with an employee like this. "under my rights as a Federal Employee and citizen of United States I desire this information."
