BPA Energy Efficiency Weekly Announcements, October 24, 2013

Events

Brown Bag: Six going on Seven – Draft Results are In! -

Join us on November 4, 12:00pm – 1:00pm. In July, BPA introduced the Six Going on Seven project to utilities (Details Here). The goal of the project is to collect regional savings achievements from 2010-2012 to facilitate discussion during the development of the Council's 7th Power Plan. Over the past few months, BPA has collected and analyzed this regional data and we are now excited to share the results of this effort with the region... More

BPA Lighting Calculator 3.0 Webinars -

To support the BPA Lighting Calculator 3.0 released last month, BPA Lighting Team is hosting additional webinars for utilities and trade allies to provide an overview of the new platform and answer questions.

Trade Ally Lighting Calculator Webinar
November 7th 2013, 12:00pm -1:00pm
The first webinar caters towards a trade ally audience, focusing on the features they will be primarily working with.

Utility Lighting Calculator Webinar
November 13th 2013, 12:00pm -1:00pm
This webinar will be presented to utilities to get the most out of their lighting calculators.

Save The Date; Efficiency Exchange Will Be May 6-8 -

Efficiency Exchange 2014 will be held at the Three Rivers Convention Center in Kennewick, Washington on May 6-8... More

General

BPA Lighting Calculator 3.0 has received its first improvement update -

BPA Lighting Team is pleased to announce an updated version of the new lighting calculator, version 3.1. Just as Lighting Calculator 3.0 was largely based on input received from you, our valued utility customers, version 3.1 addresses some of the common feedback we've received since launching the new calculator on October 1... Reminders

Reminder: Please Report FY 13 Self-Funded Efficiency By Oct. 31 -

As you know, self-funded conservation is instrumental in helping us ensure that we are meeting our conservation targets. To help us effectively gauge our progress toward our regional efficiency goals, we have asked that our customers report their FY 13 self-funded efficiency results on or before Oct. 31. This will help us determine the region's accomplishments for the FY12-13 rate period.

Thank you to those who have already submitted self-funded savings data; we appreciate your support for the regional reporting effort. If you have not yet been able to submit your self-funded data, or if you have any questions, please contact your EER for any support or assistance you may need.

EE Post-2011 Review Kick off Meeting and Scoping Document Available -

A public meeting to discuss the document and the process forward is scheduled for November 22, 2013 in Portland, Oregon and by web and telephone. Please mark your calendar. The EE Post-2011 scoping document is available for stakeholder review… More
