Call for topics for Efficiency Exchange 2014 -

Do you have an energy efficiency topic or presentation that would be interesting, necessary, and/or indispensable to your fellow utility EE staff? The Efficiency Exchange conference is coming to Kennewick in May and we're looking for breakout session topics and presentations relevant to you and your work.

Please post your ideas on the Efficiency Exchange page on Conduit with a title and paragraph description for consideration or send directly to your EER. We're also looking for a dynamic, relevant, and cutting-edge keynote speaker, so please let us know of your suggestions. Deadline to submit session topics/ideas is November 26.

Plan to be in Kennewick, WA May 6-8 with old friends and new connections.
