Thanks Christoper,
Since there is no need to submit any forms as of now, how will I receive the material? by email?
Thanks!

Hi Ahmad –
My apologies for not responding sooner, I have been out of the office. Thank you for your interest

in BPA. The official form is locate here:
https://www.bpa.gov/news/FOIA/Pages/RequestForm.aspx

That being noted, we have begun the intake process for your request as we have your contact information and the records requested are reasonably described. Because they are requested on a fairly regular basis, we anticipate being able to provide these records within the standard timeframe for a simple request (20 working days). However, if there are questions regarding the request, a Case Coordinator will contact you.
Respectfully,

Hi Christopher,
I am a PhD student at Texas A&M University. I tried to reach you at your phone number at 503-230-5602 but my attempts were not successful.
I would like to request the EMTP source code as well as the rule book, workbook and the application guide. I am aware that I need to submit a formal request but I am not sure where to get the forms from. I appreciate if you can guide me thorough the process.
