Dear Mr. Anderson:

This communication is the Bonneville Power Administration's (BPA) final response to your request for agency records made under the Freedom of Information Act, 5 U.S.C. § 552 (FOIA). Your records request was received on May 11, 2018 and formally acknowledged on May 15, 2018.

Request

You seek Service Contract/Payroll Records re, "Quenett Creek Substation Construction Project; Numbers: L0380, LURR 20170161; Project Manager: Amy Gardner - TEP-TPP-1; Location: Wasco County, OR and Klickitat County, WA; Certified payroll request [as re] K & E Excavating Inc. [and] Crestline Construction."

Clarification

Via email to the agency on May 16, 2018, you limited your records request to the 90-day period of February 15, 2018 to May 15, 2018.

Response

Records searches were conducted in the agency's Construction Acquisition Team offices and responsive records were provided to the FOIA Office. The records gathered are the certified payroll for Contract 78174 for the Quenett Creek Substation project. The Construction Acquisition Team indicated that while K&E Excavating, Inc. is a third tier subcontractor, conducting civil construction activities, Crestline Construction is only affiliated with the construction of BPA's end-user's data center in the area. Crestline is not a party to Contract 78174. As such, BPA does not have access to payroll records for Crestline Construction.

BPA located 21 pages of agency records responsive to your request. BPA is herein releasing 6 pages in full and releasing 15 pages with redactions applied under 5 U.S.C. § 552(b)(6) (Exemption 6). Those agency records accompany this communication. An explanation of the applied exemptions follows.

Exemptions

The FOIA generally requires the release of all responsive government records upon request. However, the FOIA permits withholding certain limited information that falls under one or more of nine statutory exemptions (5 U.S.C. §§ 552(b)(1-9)).

Exemption 4

As required by the FOIA, BPA provided K & E Excavating Inc. with a 30-day opportunity to object to a public release of their information contained in the responsive agency records. That objection opportunity is required by 5 U.S.C. § 552(b)(4) (Exemption 4) and DOE and BPA FOIA regulations and processes. Exemption 4 protects third-party confidential commercial or financial information from public release. K & E Excavating Inc. failed to object within their 30-day opportunity to do so.

Exemption 6

BPA is releasing responsive agency records with redactions applied under Exemption 6 to protect personal privacy. Exemption 6 of the FOIA protects information about individuals in "personnel and medical files and similar files" when the disclosure of such information "would constitute a clearly unwarranted invasion of personal privacy." The application of Exemption 6 requires balancing the public's interest in acquiring the information against the individual's privacy interests. If a significant privacy interest is found to exist, and there is no overriding public interest served by disclosure, the information should be protected. Here, BPA asserts Exemption 6 to withhold payroll information including individual names and addresses and other Personally Identifiable Information (PII) which are not related to the business of BPA or the Executive Branch. BPA can find no public interest in the forgoing information and has therefore redacted it under Exemption 6.

Fee

There are no FOIA fees applicable to the fulfillment of your request for BPA records.

Certification

Pursuant to 10 C.F.R. § 1004.7(b)(2), I am the individual responsible for the records release and determinations described above. Your FOIA request BPA-2018-01088-F is now closed with all available agency records provided.

Appeal

The adequacy of the search may be appealed within 90 calendar days from your receipt of this letter pursuant to 10 C.F.R. § 1004.8. Appeals should be addressed to:

Director, Office of Hearings and Appeals
HG-1, L'Enfant Plaza
U.S. Department of Energy
1000 Independence Avenue, S.W.
Washington, D.C. 20585-1615

The written appeal, including the envelope, must clearly indicate that a FOIA appeal is being made. You may also submit your appeal by e-mail to OHA.filings@hq.doe.gov, including the phrase "Freedom of Information Appeal" in the subject line. (The Office of Hearings and Appeals prefers to receive appeals by email.) The appeal must contain all the elements required by 10 C.F.R. § 1004.8, including a copy of the determination letter. Thereafter, judicial review will be available to you in the Federal District Court either (1) in the district where you reside, (2) where you have your principal place of business, (3) where DOE's records are situated, or (4) in the District of Columbia.

You may contact BPA's FOIA Public Liaison, Jason Taylor, at the address at the letter header for any further assistance and to discuss any aspect of your request. Additionally, you may contact the Office of Government Information Services (OGIS) at the National Archives and Records Administration to inquire about the FOIA mediation services they offer.
