### General

Reminder: Daily Demand Voltage Reduction Pilot

The BPA Daily DVR team would like to thank all who attended last month's [Daily Demand Voltage Reduction Pilot](#) webinar. The presentation slides are available [here](#). As a reminder, please reach out to your EER if you would like to schedule an individualized meeting with the BPA team to see if Daily DVR is a good fit for your utility.

New market research Northwest HVAC Market Snapshot 2022 report

BPA's market research team has published a new [report](#) on the 2022 HVAC sales data collected by NEEA. One key takeaway is heat pump sales have surpassed gas furnace sales for the first time since BPA and NEEA began tracking in 2016. The team will present additional insights including sales volume and efficiency mix by technology during our [quarterly call](#) Feb. 7 at 9 a.m.
