FREEDOM OF INFORMATION ACT PROGRAM

August 20, 2021

In reply refer to: FOIA #BPA-2021-00271-F

Dale Church

(b) (6)

Dear Mr. Church,

This communication is the Bonneville Power Administration's (BPA) first partial response to your request for agency records made under the Freedom of Information Act, 5 U.S.C. § 552 (FOIA). BPA received your records request on January 7, 2021, and formally acknowledged your request on January 27, 2021.

### **Request**

"A list of contractors for the last ten (10) years claiming [North American Industry Classification System] NAICS of 238210 Electrical Construction and Service Compan[ies] who have received contracts with BPA. Please provide their name[s], contact number[s], contract number[s], the date[s] of contract[s], minority status or veteran status—if any, and the amount of [the] contract awarded."

### **First Partial Response**

BPA has searched for and gathered records responsive to your FOIA request from the Strategic Delivery & Oversight Office (Contract & Strategic Sourcing). BPA's first partial response includes 32 pages of records. BPA is releasing 32 pages in full with no redactions.

### **Processing Update**

BPA continues to review and process the remaining records collected in response to your request. Specifically, those records subject to 5 U.S.C. § 552(b)(4) (Exemption 4).

### **Exemption 4**

Prior to publicly releasing records, BPA is required by Exemption 4 to solicit objections to the public release of any third party's confidential commercial information contained in the responsive records set. Those Exemption 4 efforts are required with each third party whose confidential information is in the responsive records. This effort is ongoing.

**Certification**

Pursuant to 10 C.F.R. § 1004.7(b)(2), I am the individual responsible for the records search and information release described above.

**Next Partial Release Target Date**

Please know that for an undetermined period, related to the agency's response to the COVID-19 pandemic, BPA personnel are operating within a remote working directive. FOIA request processing is thereby slowed. BPA remains committed to meeting its FOIA obligations to you and to all its many FOIA requesters. Owing to the ongoing review efforts, and the agency's current workforce status, BPA is extending the response target date for the next partial release to November 5, 2021.

I appreciate the opportunity to assist you. Questions about this communication or the status of your FOIA request may be directed to the FOIA Public Liaison Jason Taylor at [jetaylor@bpa.gov](mailto:jetaylor@bpa.gov) or 503-230-3537. Questions may also be directed to E. Thanh Knudson, Case Coordinator (Flux Resources, LLP), at (503) 230-5221 or [etknudson@bpa.gov](mailto:etknudson@bpa.gov).

Sincerely,

Candice D. Palen

FREEDOM OF INFORMATION ACT PROGRAM

October 27, 2021

In reply refer to: FOIA #BPA-2021-00271-F

Dale Church

(b) (6)

Dear Mr. Church,

This communication is the Bonneville Power Administration's (BPA) second partial response to your request for agency records made under the Freedom of Information Act, 5 U.S.C. § 552 (FOIA). BPA received your records request on January 7, 2021, and formally acknowledged your request on January 27, 2021. BPA sent a first partial release on August 18, 2021.

### **Request**

"A list of contractors for the last ten (10) years claiming [North American Industry Classification System] NAICS of 238210 Electrical Construction and Service Compan[ies] who have received contracts with BPA. Please provide their name[s], contact number[s], contract number[s], the date[s] of contract[s], minority status or veteran status—if any, and the amount of [the] contract awarded."

### **Second Partial Response**

BPA has searched for and gathered records responsive to your FOIA request from the Strategic Delivery & Oversight Office (Contract & Strategic Sourcing). BPA's second partial response includes 45 pages of records. BPA is releasing 45 pages in full with no redactions.

### **Processing Update**

BPA continues to review and process the remaining records collected in response to your request. Specifically, those records subject to 5 U.S.C. § 552(b)(4) (Exemption 4).

### **Exemption 4**

Prior to publicly releasing records, BPA is required by Exemption 4 to solicit objections to the public release of any third party's confidential commercial information contained in the responsive records set. Those Exemption 4 efforts are required with each third party whose confidential information is in the responsive records. This effort is ongoing.

**Certification**

Pursuant to 10 C.F.R. § 1004.7(b)(2), I am the individual responsible for the records search and information release described above.

**Next Partial Release Target Date**

Please know that for an undetermined period, related to the agency's response to the COVID-19 pandemic, BPA personnel are operating within a remote working directive. FOIA request processing is thereby slowed. BPA remains committed to meeting its FOIA obligations to you and to all its many FOIA requesters. Owing to the ongoing review efforts, and the agency's current workforce status, BPA is extending the response target date for the next partial release to January 7, 2022.

I appreciate the opportunity to assist you. Questions about this communication or the status of your FOIA request may be directed to the FOIA Public Liaison Jason Taylor at [jetaylor@bpa.gov](mailto:jetaylor@bpa.gov) or 503-230-3537. Questions may also be directed to E. Thanh Knudson, Case Coordinator (Flux Resources, LLP), at (503) 230-5221 or [etknudson@bpa.gov](mailto:etknudson@bpa.gov).

Sincerely,

Candice D. Palen  
Freedom of Information/Privacy Act Officer
