Subject: Proposed BPA/Clark Proposed Business Relationship
(REPBenefits)

To Paul Norman,

Paul,

I just reviewed the letter that proposes a new business relationship between Clark PUD and BPA. Please refer to the third page of your letter, first paragraph, second sentence. You state that "The new Actual Partial Agreement would replace Contract No. 01PB-12243, which would have continued through September 30, 2011, and would continue through September 30, 2011."

Is the referenced date in the last section of this sentence correct?
What would the correct date be if not?

No other comments at this time.

Sincerely,

Don McMaster
Assistant Manager
Franklin PUD
