Re: FOIA Request

Dear Ms. Eissler:

Pursuant to the federal Freedom of Information Act, 5 U.S.C. § 522, please provide me with the following information:

1. Copies of all communication, correspondence, notes, e-mails, memoranda, meeting minutes, Federal Register Notices, other notices, public announcements or other records (written or electronic) concerning BPA notice to any of BPA's public agency customers or representatives concerning the terms, or existence, of the BPA contracts with PacifiCorp and Puget Sound Energy numbered 01PB-10854 and 01PB-10885. These agreements are also know as the financial settlement agreements and include the provisions for the \$200 million in risk reduction discounts to these utilities. I am interested in receiving information about any BPA notice (formal or informal) to public agency customers before or after BPA executed those contracts.
2. Copies of all communication, correspondence, notes, e-mails, memoranda, meeting minutes, agreements or any other records (written or electronic) concerning communications or agreements between BPA, its employees or representatives and PSE, its employees or representatives, and between BPA, its employees or representatives and PacifiCorp, its employees or representatives, to limit the public distribution or public knowledge of the terms of the BPA contracts with PacifiCorp and Puget Sound Energy numbered 01PB-10854 and 01PB-10885. This request includes any information or communication between BPA, PSE or PacifiCorp concerning the release or timing of the release of these contracts, their terms, or their associated records of decisions to the public, state public utility commissions, federal regulatory agencies or parties other than BPA, PSE, or PacifiCorp.

If BPA decides to not release any relevant information due to statutory exemptions, please identify such information that is not provided.
