RE: FOIA Request #05-042

Dear Mr. Stanton:

Thank you for your letter of May 11, 2005 requesting information under the Freedom of Information Act (FOIA). In your request, you asked for copies of all internal and external documents, memo, correspondence, reports, etc., received and created relating to the old and proposed Bernhardt Heights Road from 1980 to December 31, 2002. In particular, anything during that period pertaining to the Wedson Substation driveway.

Your request was received by our office on May 17, 2005 and has been logged in as FOIA #05-042.

You have agreed to pay fees up to \$150 to process your request. You've asked that if fees for search, review and copy appear as though they may exceed \$150, we provide an estimate to you.

As an individual requestor, FOIA allows for two hours of search time at no cost and up to 100 copied pages at no cost. There is no charge for review of responsive documents. Should search and copy charges exceed the two hour/100 page limits, processing fees are charged at the hourly rate of the searching employee plus 16 percent and \$.05 per copied page.

Ms. Ellen Camp, Supervisory Realty Specialist, BPA Transmission Business Line, has been designated as Authorizing Official for your request. Ms. Camp has 20 working days, until June 15, 2005 to provide a response. Should you have any questions she may be reached at Mail Stop TRF-TPP-4 or by calling 360-619-6429.

Sincerely,

A handwritten signature in cursive script that reads "Annie Eissler".
