RE: FOIA Request #05-054

Dear Mr. Larson:

The Bonneville Power Administration (BPA) response to your letter of August 22, 2005, requesting information under the Freedom of Information Act (FOIA) was incomplete. In your FOIA request you ask for copies of:

1. All contracts in BPA's possession, custody or control between BPA (and/or U.S. Dept. of Energy) and Erickson Air-Crane, including but not limited to contracts for transmission tower transportation services. Please provide all such contracts for services, which were rendered from January 1, 2002 to the present.
2. All records reflecting or constituting payments made to Erickson Air-Crane under the contracts described in (1) above.
3. All bids, responses to requests for proposals, and like documents received from Erickson Air-Crane, regardless of outcome, from January 1, 2002 to the present.

Our response addressed only the first two items in your request. In response to the third item, BPA has no bids, responses to requests for proposals, nor other documents from Erickson Air-Crane for the period from January 1, 2002 to the present.

Should you have any further questions, Mr. Gable may be reached at Mail Stop TLOS-OPP-3 or by calling 360-619-6813.

Sincerely,

Annie Eissler  
Freedom of Information Officer
