RE: FOIA Request #06-002

Dear Mr. O'Neal:

I am writing regarding a Freedom of Information Act (FOIA) request that has been submitted to the Bonneville Power Administration and logged as FOIA #06-002. In this request, Mr. Jon Marvel, Executive Director of Western Watersheds Project, is asking for a copy of an appraisal of grazing permit values permitted to one permittee in the Sawtooth National Recreation Area. BPA is anticipating granting Mr. Marvel's request; however, we are seeking your concurrence in the matter. Personal information, such as the name and address of the permittee, would be redacted from the document under the Privacy Act and the Freedom of Information Act, Exemption 6.

BPA's deadline under the Freedom of Information Act process is December 7, 2005. We will need time for reviewing and redacting information in the document, so we ask that we receive your concurrence in writing no later than December 5, 2005.

If you have any questions, please contact my associate, Michael Coffey, at 503/230-3419.

Sincerely,

/s/ Christina J. Brannon

Dear Mr. Marvel:

As permitted by statute, we will take a ten working-day extension of time in which to respond to your request. The extension will also provide us with enough time to collect and complete the review process of the materials gathered in response to your FOIA request. The new due date for this FOIA is December 7, 2005.

If you have any questions, please contact me at 503/230-7303. Thank you for your patience.
