Bonneville Power Administration

Dear Vasia Polizos,

In accordance with your state's open records statutes, I am writing to formally request copies of documents related to the Non-wires Solutions Demonstration Pilot Projects project awarded by Bonneville Power Administration on or around 8/19/2004.

I hereby request:

- 1) A copy of the winning proposal for the project
- 2) a copy of the subsequent contract between the winning supplier and Bonneville Power Administration.

My first preference is to receive electronic copies, which may be emailed to <mailto:foiareq@onviausa.com>. If electronic copies are not available, please send copies via postal mail to:

Onvia
Attn: FOIA Request Coordinator
1260 Mercer St.
Seattle, WA 98109

Or via toll-free fax to:
Attn: FOIA Request Coordinator
Toll-free fax: (866) 867-6601

In order to help you determine my status for the purpose of assessing fees, you should know that I am affiliated with a private business and am seeking information for use in the company's business.

If any expenses in excess of \$10 are incurred in connection with this request, please obtain my approval before any such charges are incurred. Please contact our FOIA Request Coordinator at <mailto:foiareq@onviausa.com> or 206.373.9236 to provide payment details.

I look forward to hearing from you within the time limit specified by law. If this request is denied in whole or in part, please provide a detailed justification for withholding the records, and notify me of appeal procedures available under the law

If this message has reached you in error, please forward it to the appropriate Clerk or Custodian of Records for Bonneville Power Administration. Thank you for your prompt attention to this matter.

Thank you,
