Dear Ms. Brannon:

This is a request under the Freedom of Information Act

We are requesting copies of the Pacific Power billings for Phase I facility in Umatilla, Oregon. This is a pumping facility operated by the Bureau of Reclamation for irrigation exchange purposes. The bills we are requesting are as follows: May, June, July, August, and September for each year 2003, 2004, and 2005. The information on the billings is as follows:

Utility company:	Pacific Power
Utility account number:	27855521-001-4
Description on billing:	"2200 HP WEID Project"

West Extension Irrigation District is a special district in the state of Oregon. We are the irrigation district served by this pump station. The information will be used to increase understanding of the cost of operations of this pump station and has bearing on the cost of pumped water charged to us by the Bureau of Reclamation.

We request a waiver of all fees. As a public entity, our revenue comes from public funds and our fiduciary responsibility is to our water users. Consequently we strive to keep all costs to a minimum. Disclosure of the requested information is in the public interest because it is likely to contribute significantly to public understanding of the operations of the Phase I pumping station.

If a waiver of fees is not granted, we are willing to pay fees associated with the costs of this request. Please notify us first if this is the case.

Thank you for your consideration.

Best regards,

Beverly Bridgewater
District Manager
