RE: Freedom of Information Act request

I understand that you awarded a grant to an organization called Framing Our Community (FOC) in Elk City, Idaho. Since that organization is a closed corporation with no membership (see Articles of Incorporation, Article VII. Members, "This Corporation shall have no members or shareholders"), only a small board of directors, people in the community at large have no idea what they are doing and there is no accountability on their part to the community.

The grant I am referring to was used as a match for a DEQ grant submitted Feb. 9, 2006 and is in the sum of \$185,746.00 (hard dollar). I have no idea when you awarded this grant to FOC, what it was about, or if the projects in the grant have been accomplished.

Please send me a copy of the grant(s) you have awarded along with any other correspondences and award letters?

am an individual seeking information for personal use and not for a commercial use

I am requesting a waiver of all fees for this request. Disclosure of the requested information to me is in the public interest because it is likely to contribute significantly to public understanding of the operations or activities of the government and is not primarily in my commercial interest.
