No FAX number provided  
**Email:** sweeney@rff.org

**Description of Request:** I am currently working with a team of researchers at Resources for the Future modeling electricity generation from hydropower sources. We were wondering if you have hourly instream flow rates for BPA's hydroelectric dams, dating back as far back as 1994 if possible. If not could you please let me know what data you do have? Any relevant flow information would be extremely helpful.

**Preferred format:** text or excel

**Type of Requester:** Scholarly

I request a **fee Waiver**

**If denied** a waiver or reduction, I Agree to pay up to **TBD**
