Re: FOIA Request – Fulton Diversion Dam, BPA Project # 2005-007-00

Ms. Brannon,

This is a request under the Freedom of Information Act. These records I am requesting are related to work the BOR was associated with on the Fulton Diversion Dam, BPA Project # 2005-007-00. The project involved work between the BOR, BPA, Fish and Wildlife, and Chewuch Basin Council's Chris Johnson.

This request involves information that the BPA, BOR, and Chewuch Basin Council should have in their possession.

I request that a copy of the following documents be provided to me:

- 1) A "January 2005 Memorandum of Agreement with the BPA for Technical Assistance Services." (The above phrase was used in a recent BOR Technical Analysis for the above referenced BPA Project. The phrase inferred that this January 2005 Memorandum of Agreement was the basis of the BPA's contract with the BOR and Chewuch Basin Council)

Note: I have been unable to find this document in any websites for either the BPA and/or the BOR.

2) Any and all documents, correspondence, and/or information relative to Chewuch Basin Council's ability to qualify for, and receive, an "Inter-Governmental Contract." Please see below an excerpt from BPI25 (Blue Highlighted) as a foundation for the request of these documents.

25.1 GENERAL.

INFORMATION:

(a) "Intergovernmental contract" (IGC) means a contract between BPA and one of the following organizations: State or local governments, publicly-owned colleges or universities, Federally recognized Indian tribes, special districts (PUD's, water districts, school districts), or other federal agencies, both within the Department of Energy and other departments.

3) A copy of the latest version of BPI25 – Intergovernmental Contracts, procurement procedure.

4) Any and all documents related to the BOR's daily inspection reports for the above referenced project.

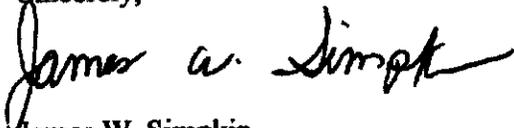

Opportunity Construction Company is willing to pay fees for this request up to a maximum of \$1,000.00. If you estimate that the fees will exceed this limit, please inform me prior to completing my request.

Please contact me, at your convenience, for any questions related to this request.

Hard copies of these documents will suffice.

Thank you for your consideration of this request.

Sincerely,

James W. Simpkin
