LOG # 07-044

The following is a New FOIA request:

Name: Robert Holbrook Reinhardt
Organization: University of California, Davis
Address: :
Phone: :
No FAX number provided
Email:

Description of Request: Electronic copy of the Bonneville Power Administration's 1977 Annual Report.

Preferred format:

Type of Requester: Scholarly

I request a fee Waiver

I request a waiver or reduction of fees because my request concerns "the operations or activities of the government" as explained below:

Yes: the annual report describes the BPA's operations and activities during 1977.

I request a waiver or reduction of fees because the disclosure is "likely to contribute" to an understanding of government operations or activities as explained below:

Yes: the annual report is likely to contribute to an understanding of the BPA's operations and activities during the drought of 1977.

I request a waiver or reduction of fees because an understanding by the general public of the subject is likely to result from disclosure, taking into account my ability and intent to disseminate the information to the public in a form that can further understanding of the subject matter as explained below:

Yes: this annual report will be used as research material for a journal article I am writing about the drought of 1977.

I request a waiver or reduction of fees because the disclosure is likely to contribute "significantly" to public understanding of government operations or activities as explained below:

Yes: the annual report is important in understanding the BPA's rationale and explanations of its operations during the 1977 drought.

I request a waiver or reduction of fees because of a commercial interest that would be furthered by the requested disclosure, and, if so:

No: There is no commercial interest--only academic.

I request a waiver or reduction of fees because the magnitude of the identified commercial interest of the requester is sufficiently large, in comparison with the public interest in disclosure, that disclosure is "primarily in the commercial interest of the requester." as explained below:

The primary interest in disclosure is for public knowledge, disseminated through a scholarly journal, and will have no commercial benefit for me.

If denied a waiver or reduction, I Agree to pay up to 5.00
