RE: FOIA 08-011

Dear Mr. Petroianu:

This is your final response to your request for information that you made to the Bonneville Power Administration (BPA), under the Freedom of Information Act (FOIA), 5 U.S.C. § 552. Your electronic request was received in this office on Tuesday, December 11, 2007, and was assigned a control number, 08-011.

You have requested the following in either a PDF or WORD document:

“HVDC and FACTS Bibliography: <ftp://www.bpa.gov/pub?TEP/biblio.zip>. See: IEEE Power Engineering Review, October 1996, pp.37”

After reviewing your request, it was determined that you addressed all the criteria of a proper request under the FOIA, Department of Energy, and BPA regulation that implements the FOIA at Title 10, code of Federal Regulations, Part 1004.

BPA has located the responsive document and has provided it to you in its entirety on CD format. There will be no charge for this request.

If you are dissatisfied with this determination, you may make an appeal within thirty (30) days of receipt of this letter to the Director, Office of Hearings and Appeals, Department of Energy, 1000 Independence Avenue SW, Washington, DC 20585. Both the envelope and the letter must be clearly marked “Freedom of Information Act Appeal.”

I appreciate the opportunity to assist you with this matter. If you have any questions about this letter, please contact Laura M. Atterbury, FOIA/Privacy Act Specialist, at 503-230-7305.

Sincerely,

/s/ Christina J. Brannon
