The following is a New FOIA request:

Name: William Lyons
No organization provided
Address:
Phone:
No FAX number provided
Email:

Description of Request: I am interested in any records pertaining to my being prohibited from working at Bonneville Power, in either a contract or FTE capacity. I have been informed that I am on a list of persons who are not allowed to be considered for employment, as a result of a complaint by a current employee. I have never been informed of this, have never been given the opportunity to review or rebut any aspect of this, and would like to know even what I did to acquire this status. I have repeatedly made applications for positions within Bonneville, and would like to know when this previously secret elimination from consideration came into the application process. Thanks in advance.

Preferred format: No preference.

Type of Requester: Personal

Please **Limit** my fees to **25.00**
