Description of Request: I am assisting with research for a documentary. Predominantly, I am trying to find the correct name, address, contact information to address when submitting an FOIA for a copy of 9-1-1 tapes. The BPA incident was the well known ALF attack to the Bonneville Power Plant at 8:53PM, December 30th, 1999, Bend Oregon. I called the Oregon State Police and was then referred to Bonneville Admin Dispatch number. They suggested the Bonneville Administration Media Relations. At the same time, I was told most records are kept only 8 years, but since this is regarding a somewhat famous and large case, I was hoping there was exception and would still like to submit the FOIA for the request of those tapes.
