Re: FOIA-2008-000271

Dear Mr. Cooper:

This is in further response to the request for information that you sent to the Department of Energy (DOE) under the Freedom of Information Act (FOIA), 5 U.S.C. 552. You asked for a copy of the licensing agreement between the DOE and Seattle City Light with regard to the Dams on the Skagit River.

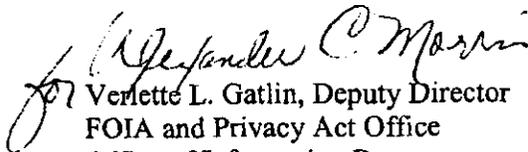

Any records that may exist are under the jurisdiction of the Bonneville Power Administration (BPA). For this reason, I have transferred your request to the FOIA Officer at that location for appropriate action. Upon completion of the search and the review of any documents found to be responsive, they will provide a response to you.

Your letter did not state a willingness to pay fees to process the request. In a telephone conversation with Mr. Chris Morris of my staff on April 24, 2008, you asked to be provided with an estimate of costs to process the request. The FOIA Officer at the BPA will advise you of any costs to process the request.

If you have any questions about the processing of your request, you may contact Ms. Christy Brannon, FOIA Officer, U.S. Department of Energy, Bonneville Power Administration, P.O. Box 3621-KDP-7, Portland, OR 97232. She also can be reached on (503) 230-7303.

If you have any questions about this correspondence, you may contact Mr. Morris on (202) 586-3159.

Sincerely,

Verlette L. Gatlin, Deputy Director
