The following is a New FOIA request:

Name: Terry B. Armentrout

No organization provided

Address:

Phone:

FAX:

Email:

Description of Request: I am an individual seeking information for personal use and not for a commercial use. I request a copy of letters signed by the Administrator requesting the Commander of the Corps of Engineers to reduce operation and maintenance cost at Corps of Engineer operated power facilities. Plus any Corps of Engineers response to such a request. We can limit the time frame to between 1999 and 2004. I am prepared to pay \$25.00 for such documents and would consider other reasonable costs.

Preferred format: hard copy, *.jpg files, FAX

Type of Requester: Personal

Please **Limit** my fees to **25.00**

I request a waiver or reduction of fees because my request concerns "the operations or activities of the government" as explained below:

This request is to compare Corps of Engineer response to BPA requests.

I request a waiver or reduction of fees because the disclosure is "likely to contribute" to an understanding of government operations or activities as explained below:

This document will contribute to the understanding of the relationship of the Corps of Engineers and PBA in operation of the Columbia River Federal Power System.

I request a waiver or reduction of fees because an understanding by the general public of the subject is likely to result from disclosure, taking into account my ability and intent to disseminate the information to the public in a form that can further understanding of the subject matter as explained below:

I intend to use this information in my own personal research.

I request a waiver or reduction of fees because the disclosure is likely to contribute "significantly" to public understanding of government operations or activities as explained below:

none

I request a waiver or reduction of fees because of a commercial interest that would be furthered by the requested disclosure, and, if so:

none

I request a waiver or reduction of fees because the magnitude of the identified commercial interest of the requester is sufficiently large, in comparison with the public interest in disclosure, that disclosure is "primarily in the commercial interest of the requester." as explained below:

none
