RE: FOIA #09-024

Dear Mr. Joel:

This is your final response to your request for information that you made to the Bonneville Power Administration (BPA), under the Freedom of Information Act (FOIA), 5 U.S.C. 552.

You had requested the following:

Proposals, Invoices, Verification of Payment in regard to Bid Solicitation for Sale and Disposal of Transformer(s) information for the following:

- T01442, Tacoma Substation, released 7/18/2007 and awarded 8/2/07
- T00989, T00990 and T00991, Bellingham Substation, released 3/13/08 and awarded 3/20/08
- T01755, Sacajawea Substation, released 8/15/2008 and awarded 8/22/08
- T00580, T00582 and T00583, Hat Rock Substation, released 10/20/08 and awarded 11/4/08

Response:

BPA has provided you with all responsive documents in their entirety for Items 1, 2 and 3. For Item 4, you have been provided one responsive document in its entirety. BPA has no additional responsive documents because the transformers have not yet been dismantled for scrap and the copper windings have not been processed in a permitted metal recovery furnace. Therefore, no invoice has been generated nor payment for this project.

If you are dissatisfied with this determination, you may make an appeal within thirty (30 days of receipt of this letter to the Director of Office of Hearings and Appeals, Department of Energy, 1000 Independence Avenue SW, Washington, DC 20585. Both the envelope and the letter must be clearly marked "Freedom of Information Act Appeal." There is no charge for your request.

I appreciate the opportunity to assist you in this matter. If you have any questions, please contact Laura M. Atterbury, FOIA/Privacy Act Specialist, at 503-230-7305.

Sincerely,
/s/ Christina J. Brannon
