SUBJECT: Freedom of Information Act Request

Dear Ms. Brannon:

Pursuant to the Freedom of Information Act, I request documents relating to the Bonneville Power Administration's contracts with consultants, signed since January 1, 2007, to provide advice/strategic counsel or to obtain information in Washington, D.C.

As you know, I have previously requested information on BPA's contract with Washington2 Advocates ("W2A"). This request covers consultants *other than* W2A that provide information and intelligence, analysis, advice or strategic counsel involving BPA's relationships with Congress, the White House, the U.S. Department of Energy, the U.S. State Department and other federal agencies (e.g., Office of Management and Budget).

For each such contract, I would like to receive:

1. A copy of the agreement(s) between BPA and the consultants, including the statement or scope of work and all amendments.
2. A copy of all work product produced by the consultants.
3. A copy of all communications between BPA and the consultants, including invoices, correspondence and e-mails.
