Subject: Re: FOIA Request

I would like why it is not possible that my request can be fulfilled. I know of very similar requests that have been fulfilled. I just want a CDROM copy of the EMTP source code (as per BPA, under FOIA request). Forget about the request of the EMTP book.

Please let me know whay my request cannot/might not be fulfilled. What if another person makes this very same request?

Thanks

Henry Arias

(University professor).
