RE: FOIA #BPA-2010-00794-F

Dear Mr. Meyer:

Thank you for your request for information that you made to the Bonneville Power Administration (BPA) under the Freedom of Information Act (FOIA), 5 U.S.C. 552. Your letter was received in this office on Thursday, January 14, 2010, and has been assigned a control number, #BPA-2010-00794-F. Please use this number in any correspondence with the Agency about your request.

You have requested the following:

Mapping to date and/or engineering drawings reflecting the current proposed footprint of towers (if such is developed at this point), and proposed route of transmission lines and easement for Route Segment 26 of the I-5 Corridor Reinforcement Project, within a half-mile circumference of where the route would cross N.E. Hooper Wollam Road in northern Clark County, Washington, near Amboy.

We have reviewed your letter and have determined that it addresses all the criteria of a proper request under the FOIA and the DOE regulation that implements the FOIA at Title 10, Code of Federal Regulations, Part 1004. You have agreed to pay \$250 in fees and BPA will notify you in the event that the charges appear to be larger than the maximum of \$250.

Mr. Mark Korsness, Civil Engineer, Transmission Project Management, has been assigned as the Authorizing Official for your request. Mr. Korsness has twenty (20) working-days to respond to your request. If you need to contact Mr. Korsness, he can be reached by calling 360-619-6326.

I appreciate the opportunity to assist you with this matter. If you have any questions about this letter, please contact Laura M. Atterbury, FOIA/Privacy Act Specialist, at 503-230-7305.

Sincerely,

/s/ Christina J. Brannon
