LOG # BAA-2010-00989.F

Dear Ms. Atterbury;

Pursuant to the Freedom of Information Act, I am requesting a list of all Records of Decision BPA has generated since January 1, 2000 that were not or have not been posted to BPA's ROD webpage, <http://www.bpa.gov/corporate/pubs/rods/>, as of the date of this FOIA request.

I am aware that BPA posts RODs at the above-referenced URL. The ROD webpage includes a list of years, and each year links to a list of RODs issued that year. However this month, BPA added a new ROD, dated Jan. 30, 2009, which had not previously appeared on the list for 2009. Therefore it is clear that BPA does not post all of its RODs, or at least does not do so in a timely fashion. Hence this request, to determine if there are other RODs that BPA has delayed or failed to post or publish.

I make this request in my capacity as a member of the media, to wit, Senior Contributing Editor of *Clearing Up*, a publication of Energy NewsData Corporation.

Disclosure of this information is in the public interest because it is likely to contribute significantly to public understanding of the operations or activities of the government and is not primarily in the commercial interest of myself, *Clearing Up* or its publisher. Therefore I request that any and all fees in connection with this request be waived.

Sincerely,
Ben Tansey
Sr. Contrib. Editor, *Clearing Up*
