### **RE: BPA-2010-01462-F**

Dear Ms. Stewart-Bell:

This is a final response to your request for information that you made to the Bonneville Power Administration (BPA) under the Freedom of Information Act (FOIA), 5 U.S.C. 552.

#### **You requested the following:**

1. All initial and revised documents related to segment 52: LIDAR printouts with proposed overlays, including the complete Hardshell, with both top and side views of all options being considered regarding rebuilding of lines.
2. FAA restrictions, distances from existing buildings (homes, offices etc.), properties which will be required to grant additional easements, properties that will be condemned, impact to Camas/Washougal city wells and equipment and the environmental impacts this project will have on the Washougal River.

#### **Response:**

1. BPA has provided all responsive documents in their entirety.
2. BPA has no responsive documents.

I appreciate the opportunity to assist you. Please contact Laura M. Atterbury, FOIA/Privacy Act Specialist at (503) 230-7305 with any questions about this letter.

Sincerely,
