RE: BPA-2010-01480-F

Dear Mr. Constance:

Thank you for your request for information that you made to the Bonneville Power Administration (BPA) under the Freedom of Information Act (FOIA), 5 U.S.C. 552. Your letter was received in this office on Wednesday, May 26, 2010, and has been assigned a control number, BPA-2010-01480-F. Please use this number in any correspondence with the Agency about you request.

You have requested the following:

All information about the hiring of ex BPA employees Mike Johns and Lou Driessen as contractors to lead the core siting team for the I-5 corridor project. This to specifically include but not limited to what they were being contracted to do, time schedules and expectations. All emails, notes, meeting minutes and reports sent and/or received and presentations given by Mike Johns, Lou Driessen and members of the siting team from the time they started working on the I-5 project till their contracted tasks were complete. The window for this we believe is between January 2009 and October 2009.

We have reviewed your letter and have determined that it addresses all the criteria of a proper request under the FOIA and the DOE regulation that implements the FOIA at Title 10, Code of Federal Regulations, Part 1004. Due to the length of the process for the project, I have denied your request for expedited processing. Your fee waiver has been granted.

Mr. Mark A. Korsness, Civil Engineer, Transmission Project Management, has been assigned as the Authorizing Official for your request. Mr. Korsness has twenty (20) working-days to respond to your request. The due date for a response to you is Thursday, June 24, 2010.

I appreciate the opportunity to assist you. Please contact Laura M. Atterbury, FOIA/Privacy Act Specialist at (503) 230-7305 with any questions about this letter.

Sincerely,

/s/ Christina J. Munro
