Description of Request: A chart showing annual peak demand and energy usage in Washington, Oregon, and California or a link to that information online.

Preferred format: Electronic and paper

Type of Requester: Personal

I request a fee Waiver

**I request a waiver or reduction of fees because my request concerns "the operations or activities of the government" as explained below:**

*Chart showing annual peak demand and energy usage.*

**I request a waiver or reduction of fees because the disclosure is "likely to contribute" to an understanding of government operations or activities as explained below:**

*Disclosure of the requested information is in the public interest because it is likely to contribute significantly to public understanding of the operations or activities of the BPA and the I-5 Corridor Reinforcement Project and is not primarily in any commercial interest.*

**I request a waiver or reduction of fees because the disclosure is likely to contribute "significantly" to public understanding of government operations or activities as explained below:**

*I request a waiver of all fees for this request. Disclosure of the requested information is in the public interest because it is likely to contribute significantly to public understanding of the operations or activities of the BPA and the I-5 Corridor Reinforcement Project and is not primarily in any commercial interest*

**If denied** a waiver or reduction, I Agree to pay up to **25.00**

**I believe a compelling need exists** to warrant expedited processing because there is an **urgency** to inform the public concerning actual or alleged Federal Government activity exists as described below:

*The I-5 Corridor Reinforcement Project is moving forward in the NEPA process and affected parties need this information quickly to understand this project.*
