**RE: BPA-2010-01506-F**

Dear Ms. Brantley:

This is the final response to your request for information that you made to the Bonneville Power Administration (BPA) under the Freedom of Information Act (FOIA), 5 U.S.C. 552.

**You requested the following:**

A chart showing annual peak demand and energy usage in Washington, Oregon, and California or a link to that information online.

**Response:**

BPA has provided the enclosed responsive document in their entirety. In addition, BPA has included a link to numeric data showing BPA's "hourly" load. The numeric data is posted externally (publicly available) and from the hourly data, the annual peaks can be derived. Items #8 and #9 on this site are the relevant ones:

I appreciate the opportunity to assist you. Please contact Laura M. Atterbury, FOIA/Privacy Act Specialist at (503) 230-7305 with any questions about this letter.

Sincerely,
