FOIA #BPA-2011-00009-C

Dear Mr. van Dijk:

This letter is in response to a FOIA request that you sent to the Corp. of Engineers on Aug. 26, 2011. In their response back to you, they stated that most of the responsive documents they had were generated by the Bonneville Power Administration. They forwarded the documents to us.

We have assigned your request a control number, BPA-2011-00009-C. Please use this number in any correspondence with the Agency about your request.

You have requested the following:

All e-mails, meeting minutes, hand written notes and presentation materials, reports, studies and any mitigation measures internal to the Corps and between the Corps and Bonneville Power Administration that reference the I-5 Reinforcement Project crossing the Columbia River in the areas of Longview Washington and/or Troutdale, Oregon.

Mark Korsness is the designated Authorizing Official for your request. Mr. Korsness has twenty (20) working days to respond to your request. The due date for a response to you is Tuesday, Nov. 8, 2011.

I appreciate the opportunity to assist you. Please contact Cheri L. Benson, FOIA/Privacy Act Specialist at 503-230-7305 with any questions about this letter.

Sincerely,

/S/Christina J. Munro
