

Bonneville Power Administration Residential Loan Program – Utility Sign-up

Signing up for the Residential Loan Program is easy. There are two options for participating in the program. The "Basic Option" focuses on heat pumps and windows. With the "Custom Option," you can design a loan program tailored to the needs of your service area.

We appreciate your interest in this exciting new program and look forward to working with you.

Utility: _____ Contact person: _____
 Telephone: _____ Email: _____

We prefer to participate in the:

- Basic Option (heat pumps & windows)
- Custom Option.

Yes No: We'd like to be listed in news releases and other BPA publications as a participating Utility.

Yes No: We have vendors we've worked with that we'd like to include in the program. (If "yes," please complete the form on the back of this sheet with contact information. If "no," we'll work with you to recruit vendors in your area.)

Yes No: We have an incentive form/cover sheet that our vendors use for the conservation measure(s). If "no," BPA will work with you to develop one.

We plan to promote the program to our customers by the following means:

- Bill stuffers
- Radio spots
- Ads in local newspapers and journals
- Vendor referrals
- Cooperative ad campaigns
- Other: _____

Yes No: We'd be interested in using sample promotional items if they are developed.

For Basic or Custom Options:

- Yes No: We'd like to provide Utility incentive funds in conjunction with the loan program. If "yes," funds would come from: C&RD;
- ConAug; our own funds; other: _____

Funds would be used to: buy down interest rate; pay rebates or incentives; other: _____

Yes No: We have other programs or support activities we'd like to tie into the Residential Loan Program (e.g. existing loan program, home energy audits, etc.). Describe: _____

For the Custom Option, which eligible conservation measures would you like to emphasize? _____

Any additional comments or questions about the program? _____

Please return this form to your Energy Efficiency Representative, or to Mike Rose, BPA, PNG-1, P.O. Box 3621, Portland, OR 97208-3621, or fax it to 503-230-3380. If you have any questions, please call your Energy Efficiency Representative or Mike Rose at 503-230-3601.
