Non-residential Lighting

How to Keep Informed

- Stay connected with the NW TAN
- Attend the lighting session at EE Summit
- Participate in regional brown bags and updates convened by BPA and NEEA

EnergySmart Grocer Enrollment

Program Stats

- 23 utilities currently enrolled
- 19 months remaining in rate period
- Timely sign-up critical to achieving savings and serving customers in 2012 and 2013

EnergySmart Grocer: Steps to Sign-up

- Complete ESG Program Sign-up Form and return to BPA Utility COTR
 - Funding amount and source
 - Program scope
- Complete Service Agreement with PECl
- Questions? Communicate with your EER and PECl.
- Our goal: implement a successful program that supports your needs.

Future Commercial Programs

- Exploring potential future programs and opportunities:
 - Trade Ally network beyond lighting
 - Opportunities to expand HVAC support
 - Sectors or program approaches for future development
- We will be seeking customer input and participation – look for future opportunities

Questions?

Thank you!
