

BPA Energy Efficiency Weekly Announcements for December 22, 2011

Events

Save the date for two Industrial energy efficiency events in January 2012 -

Be sure to save these dates for two industrial events happening in January 2012, at the Oregon Convention Center in Portland, Oregon. The Energy Smart Industrial: All Energy Project Manager Meeting and The Northwest Industrial Energy Efficiency Summit will be hosted on 01/17/12 and 01/18/12 respectively. For more details on these events...[click here](#).

General

EE Central Interim Update -

On Friday, December 16, BPA published the interim work-around materials for EE Central. This update describes the interim process and introduces the corresponding interim submission materials for payment of energy efficiency work completed, approval for custom project proposals and custom project completion reports... [More](#)

Implementation Manual Updates -

Please review the following Implementation Manual (IM) changes that may affect program participation and procedures for EE Central Interim Submissions, EnergySmart Grocer and Energy Project Management. A revised version of the IM is expected to be published the week of December 19, 2011 on the BPA website... [More](#)
