

Oregon Department of Energy Presents
Resource Energy Management Training

In collaboration with Bonneville Power Administration

Do you want more control over the operating costs of your facility?

*Come learn how to reduce operating costs, increase efficiency,
prepare for deregulated energy purchases and promote
environmentally friendly operations.*

What: Federal Energy Management Program's
Resource Energy Management (REM) Training

Who: Facility Managers

When: Wednesday November 9, 2005

Time: 9 a.m. to noon (see agenda on the next page)

Where: See list of locations on the next page

Cost: No cost

Registration: Contact Shelley Carlson with the
Oregon Department of Energy at
shelley.carlson@state.or.us or (503) 378-4131 with
your name, organization, phone, email, and location
you wish to view the training from

**“It is not only the
initial impact of
these savings that
is valuable, but the
cumulative impact
is tremendous.”**

-Gary Peterson
Superintendent
Crook County School District
