THANK YOU

I would like to thank all who generously donated leave. This has been a difficult time for me and the thought of so many caring people has helped tremendously. **Diane Schmidt**

During my continuing battle with cancer, there were many things that many people helped with. But there's one thing only my BPA family could to and you did. When my spirits were low and my bank account too, you donated leave. What a wonderful gift. Thank you from the bottom of my heart. **Anita Rivenburg**

Colleagues: Thanks for your help, advice, and support during my 20 years at BPA. Each of you made a difference as we worked together on re-organizations, support service contracts, and project teams. BPA is an improved organization today due to our joint efforts and I thank you. It was generally fun.
