**PORTLAND, Ore.** – The Bonneville Power Administration today launched a concise Web page called "News Shorts" that is intended to inform the media about energy- and fish-related developments within the region.

**What:** BPA is launching its News Shorts Web page to provide information about current events and developments concerning BPA and the region.

**Who:** This site is designed to provide a quick overview for news media and all other interested parties. On request, BPA can provide more detailed information.

**When:** News Shorts is on the Web site now and will be updated each Monday in the afternoon.

**Where:** News Shorts is located at <http://www.bpa.gov> Click on the [Media Center](#) icon, then click on [News Shorts](#).
