

## **Facilities Inclusion Issue**

Issue statement: Define the facilities that are included in the RTO Tariff for cost recovery.

The alternatives:

- 1) The facilities as defined by the IndeGO approach
- 2) Transmission facilities as defined by FERC 7 Factor Test plus those facilities required to connect to wholesale loads
- 3) Transmission facilities as defined by FERC 7 Factor Test
- 4) Transmission facilities that FERC would require the RTO to control and offer service over, plus facilities that impact their transfer capability
