

To Members of the RTO West Transmission Planning Work Group:

Hello!

This is a reminder that the Transmission Planning Work Group meets next Friday, June 9th, from 8:30 a.m. to 3:30 p.m. in Portland. The meeting will take place the Portland Airport Conference Center in the Columbia Room.

A preliminary meeting agenda is attached. A final agenda, together with meeting materials, will be distributed to you early next week.

The Transmission Planning Workshop will take place as originally scheduled on June 13th at 8:00 a.m. to 5:00 p.m. at the RTO West offices. (While we looked at the possibility of moving the workshop to June 9th, it was not possible.) A preliminary agenda for the workshop is stuck in cyberspace (some e-mail systems have been frozen this afternoon), but I will forward it to you as soon as I receive it.

Materials for the workshop will also be distributed to you next week.

Thanks! I look forward to seeing you next Friday, Kristi
