

# SCHEDULING CONTENT GROUP

## Stage 2

# Scheduling Small Group

## Scheduling Coordinator Agreement

- Scheduling Coordinator concepts developed in Stage 1
- Final agreement to be prepared in Stage 2

## Scheduling Provisions

- Some scheduling parameters identified in Stage 1 for Congestion Management
- Remaining scheduling provisions need to be developed in Stage 2 (including instructions regarding non-converted contracts)

## Losses

- Tentative decision to have RTO West determine treatment of losses with the following guidance (to be developed in Stage 2):
  - Principles
  - Process
  - Starting point (loss treatment until RTO West develops its own methodology)
