

Copy of June 22, 2001 E-mail From Bud Krogh with Confirmation and Agenda for June 27, 2001 RRG Meeting

Hello, Everyone -

This confirms our Regional Representatives Group (RRG) meeting for next Wednesday, June 27, at the NEW LOCATION. We will meet at the Shilo Inn - Portland Airport, 11701 NW Airport Way, from 8:30 a.m. to 12:30 p.m. (We'll end sooner if we can.) The meeting will be held in the Mt. Rainer and Mt. Hood Rooms, and the reader boards will give directions at the hotel and convention center entrances. A continental breakfast will be available at 8:00 a.m.

Also, through Judy Welch's excellent advocacy, the Shilo is holding a block of rooms for \$94/night if you identify yourselves as being there for RTO West. The regular price is \$109.

This meeting is informational and will focus primarily on the items RTO West intends to submit to FERC by August 31. Here's our working agenda:

1. Update on "illustrative" pricing model
2. Planning/expansion update
3. Report on Congestion Management
4. Report on FERC Interregional Technical Conference on June 19
5. Benefit Cost update

I look forward to seeing you next Wednesday.

- Bud
