

To Members of the RTO West Stage 2 Market Monitoring Content Group and Other Interested Parties:

Hello!

As you know, the first meeting of the Market Monitoring Content Group is this Friday, February 2, from 9:00 a.m. to noon at Kingstad Center (a phone-in number will be sent in the next few days). A proposed agenda is attached for your review. Please let me know if you have any comments or suggested revisions.

As you will see, the majority of the meeting will be spent reviewing the

Stage 1 market monitoring decisions, as well as discussing the scope of the Stage 2 work. I am preparing a working document that contains the relevant Stage 1 material for ease of reference, and will distribute the working document on Wednesday.

I have sent this notice to all of the individuals who were on the distribution list for the Stage 1 Market Monitoring Work Group, as well as other individuals who have indicated they will participate in this content group. As we are still developing the content group rosters, I would appreciate it if you would forward this to anyone you think would be interested. I would also appreciate it if you would let me know if you will not be involved in the Stage 2 Market Monitoring Content Group.

Thanks! I look forward to working with you on the RTO West Stage 2 Development process. Kristi
