JUNE 3, 2002 RRG MEETING**

Hello, Everyone -

A meeting of the RTO West Regional Representatives Group (RRG) is now scheduled for June 3, 2002 at the Doubletree Hotel Lloyd Center, 1000 N.E. Multnomah, Portland, OR 97232 - Phone (503) 281-6111. The meeting will start at 1:30 p.m. and end by 4:00 p.m. FERC Chairman Pat Wood and staff members Allison Silverstein and Mike Coleman are expected to attend the meeting.

The purpose of the meeting is to discuss two key subjects: seams resolution approaches in the western interconnection and standard market design issues. We plan to conduct the meeting by having a separate panel address each subject. Panel members will present their views on each subject with an opportunity for RRG members to share their ideas right after each panel presentation. I'm sure the Chairman and FERC staff will pose questions and offer observations during the course of the meeting.

We'll send out more details and a specific agenda soon. We wanted to get this information to you right away for your planning purposes.

Thanks and we look forward to seeing you in June.

- Bud
