Docket No. RT01-35-005

**ERRATA FILING RELATING TO STAGE 2 FILING AND REQUEST FOR
DECLARATORY ORDER PURSUANT TO ORDER 2000**

On March 29, 2002, Avista Corporation, the Bonneville Power Administration, Idaho Power Company, Nevada Power Company, NorthWestern Energy, L.L.C. (formerly the Montana Power Company), PacifiCorp, Portland General Electric Company, Puget Sound Energy, Inc., and Sierra Pacific Power Company, joined by British Columbia Hydro and Power Authority, a nonjurisdictional Canadian utility, (collectively, the “filing utilities”) filed with the Federal Energy Regulatory Commission (the “Commission”) a Stage 2 Filing and Request for Declaratory Order Pursuant to Order 2000, in accordance with Rule 207(a)(2) of the Commission’s Rules of Practice

and Procedure, 18 C.F.R. § 385.207(a)(2) (2000) (the “March 29, 2002 Stage 2 Filing”). The filing utilities submit this Errata Filing Relating to Stage 2 Filing and Request For Declaratory Order Pursuant to Order 2000 to correct certain errors in the March 29, 2002 Stage 2 Filing and to provide an explanatory narrative that should have been part of a document included in the March 29, 2002 Stage 2 Filing.

Enclosed with this filing are corrections for two of the attachments submitted with the filing letter for the March 29, 2002 Stage 2 Filing: Attachment A (Revised RTO West Transmission Operating Agreement), and Attachment E2 (Illustrative Company Rate Calculation Spreadsheets). Attachment A included a number of exhibits. One of these exhibits was Exhibit I, entitled “External Interface Access Fee, Replacement Revenue Pool and Backstop Recovery Mechanism.” Page 6 of Exhibit I as submitted with the March 29, 2002 Stage 2 Filing contained an error – an interface identified as “Navaho/Eldorado” should have been identified as “Mohave/Eldorado.” The enclosed corrected page 6 of Exhibit I contains the correct reference to this interface.

Attachment E2 submitted with the March 29, 2002 Stage 2 Filing contained error messages in some of the spreadsheet cells on the first two pages (the summary pages) where numbers should have appeared and minor typographical and labeling errors. It also lacked a narrative section that should have been included. The enclosed replacement version of Attachment E2 includes corrected summary pages (pages 1 and 2), as well as corrections to various typographical and labeling errors in other pages of the

spreadsheets. It also includes, beginning on page 11, the narrative explanation that was previously omitted.

Respectfully submitted this 19th day of April, 2002,

Pamela L. Jacklin
Of Attorneys for PacifiCorp and, for purposes of
this filing only, on behalf of the filing utilities
