

Hello RTO West Benefit Cost Work Group -

Tabors Caramanis & Assoc. (TCA) has finished their RTO West Benefit Cost Study "Final Report". It is posted on the RTO West website at <http://www.rtoWest.org/Stage2BenCstMain.htm>.

We have scheduled a BCWG meeting to review the analyses on Friday, March 15, 2002, from 9:00 a.m. to 1:00 p.m. PST. The meeting will be at the RTO West conference room, 5933 Win Sivers Drive, Suite 201, Portland (near the Portland Airport, just off of Airport Way). A call-in line will be available 503-813-5808/ passcode 851010.

The purpose of the meeting will be to ask and answer questions about the report and discuss any future activities. We can also review the "Assessing the Reliability Impacts" reports of Dr. Billinton and Dr. Schweitzer (these reports are also posted on our website at the same location).

(For those of you who requested output data, CDs are being prepared now)
